

The Superintending Engineer,
Operation Circle HESCO,
HYD / LAAR / MPK / N'Shah.

Subject: **TECHNICAL SKILLS ENHANCEMENT COURSE FOR THE
CATEGORY OF ALM / LM-II / LM-I AT CTCS**

Time and again, it has been reiterated that the nominated participants for trainings should be relieved off in time to attend their trainings at respective training centers but all in vain.

Now the case in hand pertains to the recent nominations of ALMs for the subject course on the special orders of the Worthy Chief Executive Officer HESCO vide this office letter No. 1746-57 dated 03.02.2017 for only one week but regretfully saying following is the position upto Tuesday 07.02.2017:

| Sr. No. | Opr. Circle | Nomination | Joined the Course | CTCs |
|---------|-------------|------------|-------------------|-----------|
| 1. | HYD | 25 | 11 | Tando Jam |
| 2. | Laar | 25 | 11 | Jamshoro |
| 3. | Mirpurkhas | 25 | 18 | Tando Jam |
| 4. | Nawabshah | 25 | 22 | Nawabshah |

The competent authority has seriously taken the notice of above non compliance and directed to proceed the delinquents under the relevant disciplinary rules and also instructed for strict compliance in further training nominations without any exception.

Matter is most important.
